MEMORANDUM FOR: The Honorable Chad F. Wolf
Acting Secretary
Department of Homeland Security

FROM: 
Joseph W. Cuffari, Ph.D.
Inspector General

SUBJECT: Retraction of Final Report, OIG-18-35

I reviewed "Special Review: *TSA's Handling of the 2015 Disciplinary Matter Involving TSES Employee [Redacted]*," dated January 8, 2018, OIG-18-35. I determined it complied with our Privacy Act publication standards. However, I also determined that the report is flawed and did not comply with Council of Inspectors General on Integrity and Efficiency standards and model practices. Therefore, I am retracting the report.
